

**POWER of SCIENCE Series**

# Effects of Climate Change on Hydrology in One Pend Oreille County Planning Area

**•• February 23, 2021 / 7:00 – 8:30 P.M. Pacific ••**

**FREE** Virtual presentation on Zoom

**Guest Speaker: Eric Berntsen,**  
**Habitat Restoration Biologist**  
Kalispel Natural Resources Department  
Cusick, WA

How does climate change alter the hydrologic processes in the Pacific NW? How do landowners and managers benefit from such studies? Eric will explore the history, methodology and findings of his study to discover the land management implications from a warming climate.
